

Sunday Morning

by Matt Isherwood

Em7 A27(+Bb)(+D) Bm47
When I wake up on a Sunday morning (an' I)

Em7 A27(+Bb)(+D) Bm47
Feel the sunshine on my pale warm skin.

Em7 A27(+Bb)(+D) Bm47
I feel like dancing, but I'm still in my pyjamas (and my)

Em7 A27(+Bb)(+D) Bm47
(My) heart is beating now just where do I begin?

 A27(+Bb)(+D) Bm47 Em7
(Oh) where do I begin...to fit in?

As my heart is pumping I can hear the sound of footsteps. (They are)
(Yes) they are jumping to the tune of this song.
With a little something else they burst into my bedroom (and they)
Start to party and I start to sing along,
I start to sing along...to (the/their/this) song.
