

Your Plan (Mighty Maker) *by Matt Isherwood*

Verse 1:

We look to the cross and see you there
Bleeding so the world might know You care
But even though rejected, scorned and bare
You gave us Your love, gave us Your love.

Verse 2:

But in this act of selfless, perfect love
The spotless sacrifice sent from above
You broke the chains of darkness and it was enough
To ransom our souls, to ransom our souls

Chorus:

You are the Mighty Maker!
You are the Heaven Shaker!
One with the Father, You were here before the world began!
Yet You became our Saviour,
Humbled Yourself for a sinner!
What can we say, what grace is this that You'd become a man?
It's all in Your plan!

Verse 3:

You removed the heavy weight of sin,
Opened up Your gates and let us in.
Now we all come rejoicing and we sing
"Jesus You are, Jesus You are..."
